

Veterinary Staff Information Sheet **Delicate Care™ – Skin or Stomach**

Food Intolerances

Summary:

Delicate Care™ Skin or Stomach is a highly palatable, hypoallergenic elimination diet for dogs with sensitive skin or stomach, based on novel proteins and grains. It is boosted with the Omega Magic™ Essential Oil Blend (Omega 3 & 6), vitamins, chelated minerals and prebiotics.

Food intolerances are a **digestive problem** rather than an immune response. Intolerances occur when a dog's digestive system is unable to digest a specific ingredient. The signs of food intolerance most commonly include digestive signs such as gas, bloating, nausea, vomiting or diarrhoea. Delicate Care™ Skin or Stomach contains **novel ingredients** that dogs might not have been previously exposed to such as kangaroo, duck and sorghum and therefore, are less likely to be sensitive to these novel ingredients.

Key Points:

Recommended for dogs of all life stages with stomach sensitivities and intolerances:

Decreased sensitivity: Novel proteins from Australian Kangaroo and Australian Duck

Novel grain Australian Sorghum (Low Glycaemic Index)

Natural: Naturox (Kemin) incorporated into the whole supply chain so no artificial preservatives are used in the sourcing or manufacturing of ingredients for Delicate Care.

No artificial colouring (leads to some natural colour variation), no artificial flavour.

Balanced: Meets or safely exceeds AAFCO nutrient specifications

Protein: Energy ratio (balanced for sustained and steady growth for large breed puppies)

Calcium: Phosphorus ratio (to optimize skeletal development)

Omega Fatty Acids: Delicate Care contains the essential fatty acids that must be supplied in the diet of dogs through Omega Magic™. Omega Magic™ contains balanced Omega-6: Omega-3 fatty acids in ratio close to 5:1 to balance the less inflammatory eicosanoids to help maintain a shiny coat and healthy skin.

Omega-6 essential fatty acids are sourced from sunflower oil (not corn oil) to ensure supply of AAFCO specified linoleic acid (C18:2 n-6)

Omega-3 essential fatty acids are sourced from

- Canola oil (local, GMO free) for linolenic acid (C18:3 n-3)
- Fish oil from deep sea sources for very long chain omega-3 fatty acids: eicosapentaenoic acid (EPA; C20:5 n-3) and docosahexaenoic acid (DHA; C22:6 n-3)

Prebiotics: To support the immune system

FOS: promote 'friendly' *Bifidobacteria* in lower gut [Hussein et al. (1999) J.Nutr. 129: 1454S-1456S]

MOS: anti-allergenic effect, attributed to activation of cellular immunity [Ozaki et al. (2007) J Health Sci 53: 766-770]

Chelated Trace Minerals: Addition of chelated minerals (eg. Zinc and Copper) to ensure efficient absorption and delivery of micronutrients for optimum energy and protein metabolism.

Low Smell: Natural *Yucca schidigera* extract assists in reducing body and faecal odours.

Ingredients:

Whole Sorghum, Australian Duck, Australian Kangaroo Omega Magic™ Essential Oil Blend (canola, sunflower, fish and flax seed oils), Coconut Oil, Potassium Chloride, Dicalcium Phosphate, Vitamins A D3 E K3 B1 B2 B3 B5 B6 B12, Folic Acid, Biotin, Citric Acid, Zinc (from Sulphate), Iron (from Sulphate), Zinc Chelate, Iron Chelate, Copper (from Sulphate), Manganese (from Oxide), Copper Chelate, Manganese Chelate, Iodine and Selenium, Choline Chloride, FOS (Fructo-Oligo-Saccharides, MOS (Manno-Oligo-Saccharides), *Bacillus subtilis*, *Yucca schidigera* extract. Product protected by natural mixed tocopherols (Vitamin E) and rosemary extract.

**No salt (sodium chloride) is added to Delicate Care™ formulations. Salt, if present in our formulations, is naturally occurring*

Nutritional Analysis

Crude Protein (%min) 24
Crude Fat (%min) 11
Crude Fibre (%max) 5
Moisture (%max) 10
Metabolisable Energy 360 kcal/100gms as fed

DOES NOT CONTAIN

Common Allergens derived from Beef, Chicken, Wheat, Corn, Soy, Dairy
Artificial colours, flavours or preservatives
BHT, BHA, or Ethoxyquin

Packaging

Freshness of our natural product is maintained by our state of the art, multi layered high performance plastic 3kg and 15kg resealable bags.

Please refer to consumer brochure for feeding chart and change over details.

Proudly Australian Made and Owned

*Always aiming to be at the forefront of
developments in Pet Nutrition*
